November 2, 2025 • 2 Thessalonians 1:1-4, 11-12

Paul, Silas and Timothy thanked
God for the church in Thessalonica.

A complex geometric pattern composed of various shapes, including triangles, quadrilaterals, and polygons, some of which are curved. The shapes are outlined in black and filled with a light beige color. The numbers 1, 4, 5, and 7 are printed in black within the shapes. The pattern is dense and intricate, with many overlapping and adjacent shapes. The numbers are distributed throughout the pattern, with some shapes containing multiple numbers and others containing only one. The overall composition is a non-repeating, aperiodic tiling.

Aptos United Methodist Church
